

Call your own shots.

The lease-to-own program from Seaboard/Harmac lets you **be your own boss**.

Featuring **low down payment** and zero cost implementation.

It's a play you won't want to miss!

Seaboard // **harmac**
TRANSPORTATION GROUP

Are you ready to become an owner/operator?

If you're ready to become a business owner, don't let worries about your credit history hold you back. Seaboard/Harmac's lease-to-own program will help you fulfill the dream of ownership with little money down. Some of our drivers have already successfully completed their leases and are now experiencing the pride of ownership — and you can, too.

Seaboard/Harmac Transportation Group offers lease opportunities to drivers in locations across all divisions.

With Seaboard/Harmac, you gain a stable partner who's committed to seeing you succeed and increase your profits. Rely on us for consistent miles, steady freight volumes, substantial discounts, accurate bi-weekly settlements and more — but with the flexibility to run your own business. Advantages include:

- Low down payment
- Excellent fuel purchase support program
- Large selection of trucks from which to choose
- No buy out cost
- Zero cost implementation
- Late-model vehicles
- Paid orientation and safety training
- Optional benefits package

LEASING DETAILS

- Late-model vehicles available
- Trucks pass an annual inspection upon receipt and are subject to remaining warranty
- No down-payment and reasonable terms for 36 or 48 months
- Hassle-free financing at competitive interest rates; truck payments deducted bi-weekly
- Payment based on model selected
- Competitive in-house maintenance service options also available to qualified participants

If you've been driving with Seaboard/Harmac for at least 6 months, you are eligible to apply for a Lease to Own vehicle.
